ABOUT ME

Dynamic front-end web developer skilled in JavaScript, CSS, and Next.js, with strong expertise in Tailwind CSS and Python. Known for analytical thinking and problem-solving abilities that drive impactful, high-quality project outcomes.

EDUCATION

GOVERNOR HOUSE SINDH

I have learned Frontend Development (HTML, CSS, JavaScript, TypeScript, Next.js) and Agentic AI Development (Python, OpenAI Agents SDK). I am also currently learning Prompt and Context Engineering.

SINDH MADDERSAH TUL ISLAM MODEL SCHOOL

I have done matriculation there in computer science.
